APPROVED BY THE ACTC BOARD ON: [REDACTED]
[On Call]

This is an agreement (“Agreement”) between the Amador County Transportation Commission (hereinafter “ACTC”) and [REDACTED], a California corporation located at [Address of Consultant] (hereinafter “Consultant”).

The parties agree as follows:

1. Employment of Consultant. ACTC hereby engages Consultant and Consultant hereby agrees to perform the services set forth in Exhibit A, in conformity with the terms of this Agreement. Consultant will complete all work in accordance with the work schedule set forth in Exhibit A.
 - (a) The work is generally described as follows: On-call traffic modeling, analysis, and related services.
 - (b) Consultant represents that Consultant and its agents, subcontractors and employees performing work hereunder are specially trained, experienced, competent, and appropriately licensed to perform the work and deliver the services required by this Agreement.
 - (c) Consultant, its agents, subcontractors, and employees, shall perform all work in a safe, skillful, and professional manner and in compliance with all applicable laws and regulations. All work performed under this Agreement that is required by law to be performed or supervised by licensed personnel shall be performed in accordance with such licensing requirements. Consultant shall ensure for itself and for any subcontractors under this Agreement that the applicable requirements of Labor Code section 1725.5, concerning the registration of contractors for public works, shall be in force and maintained for the term of this Agreement.
 - (d) Consultant shall furnish, at its own expense, all materials and equipment necessary to carry out the terms of this Agreement, except as otherwise provided herein. Consultant shall not use ACTC premises, property (including equipment, instruments, or supplies) or personnel for any purpose other than in the performance of its obligations hereunder.
 - (e) Consultant’s project manager shall be the person specified in Paragraph 35, below. If Consultant desires to change the project manager, Consultant shall get written approval from ACTC of the new project manager.

- (f) Consultant shall submit progress reports at least once a month. The report should be sufficiently detailed for the Contract Administrator to determine, if Consultant is performing to expectations, or is on schedule; to provide communication of interim findings, and to sufficiently address any difficulties or special problems encountered, so remedies can be developed.
 - (g) Consultant's Project Manager shall meet with ACTC's Contract Administrator, as needed, to discuss progress on the contract.
2. Term of Agreement. The term of this Agreement shall begin upon [REDACTED], contingent upon approval by the ACTC Board, and Consultant shall commence work only after a Notice to Proceed has been issued by ACTC's Project Manager specified in Paragraph 35. This Agreement shall end on June 31, 2018, unless extended by written amendment pursuant to Paragraph 17 below. Consultant acknowledges that this Agreement is not binding until it is fully executed and approved by ACTC.
3. Payments to Consultant; maximum liability. Subject to the limitations set forth herein, ACTC shall pay to Consultant the amounts provided in Exhibit B: Cost Proposal, upon receipt and acceptance of deliverables listed therein. Each payment by ACTC shall be for a specific deliverable outlined in Exhibit A: Scope of Work and Schedule. The maximum amount payable to the Consultant under this Agreement is set forth in Exhibit B: Cost Proposal and shall not exceed the amount of [dollar amount (\$XXXX)]. If there is any conflict between the terms of this Agreement and the terms of either Exhibit A (Scope of Work) or Exhibit B (Cost Proposal), the terms of this Agreement shall prevail. ACTC does not guarantee any minimum amount of dollars to be spent under this Agreement.
4. Method of Payment/Allowable Costs and Payment. The method of payment for this Agreement will be as follows:
- (a) The method of payment for this contract will be based on lump sum. The total lump sum price paid to CONSULTANT will include compensation for all work and deliverables, including travel and equipment described in Article II Statement of Work of this contract. No additional compensation will be paid to CONSULTANT, unless there is a change in the scope of the work or the scope of the project. In the instance of a change in the scope of work or scope of the project, adjustment to the total lump sum compensation will be negotiated between CONSULTANT and ACTC. Adjustment in the total lump sum compensation will not be effective until authorized by contract amendment and approved by ACTC.
 - (b) Progress payments may be made monthly in arrears based on the percentage of work completed by CONSULTANT. If consultant fails to submit the required deliverable items according to the schedule set forth in the Statement of Work,

ACTC shall have the right to delay payment or terminate this Contract in accordance with the provisions of Article VI Termination.

- (c) **CONSULTANT** shall not commence performance of work or services until this contract has been approved by ACTC and notification to proceed has been issued by ACTC's Contract Administrator. No payment will be made prior to approval of any work, or for any work performed prior to approval of this contract.
- (d) Consultant will be reimbursed, as promptly as fiscal procedures will permit, upon receipt by ACTC's Contract Administrator of itemized invoices in triplicate. Invoices shall be submitted no later than 45 calendar days after the performance of work for which consultant is billing. Invoices shall detail the work performed on each milestone, on each project as applicable. Invoices shall follow the format stipulated for the Cost Proposal and shall reference this contract number and project title. Final invoice must contain the final cost and all credits due ACTC that include any equipment purchased under the provisions of Article XI Equipment Purchase of this contract. The final invoice should be submitted within 60-calendar days after completion of consultant's work. Invoices shall be mailed to ACTC's Contract Administrator at the following address:

Amador County Transportation Commission
117 Valley View Way Sutter Creek, CA 95685

E. The total amount payable by ACTC shall not exceed \$75,000.

5. Retention of Funds.

- (a) Any subcontract entered into as a result of this Agreement shall contain all of the provisions of this section.
- (b) No retainage will be withheld by ACTC from progress payments due the prime Consultant. Retainage by the prime consultant or subconsultants is prohibited, and no retainage will be held by the prime consultant from progress due subconsultants. Any violation of this provision shall subject the violating prime consultant or subconsultants to the penalties, sanctions, and other remedies specified in Section 7108.5 of the California Business and Professions Code. This requirement shall not be construed to limit or impair any contractual, administrative, or judicial remedies, otherwise available to the prime consultant or subconsultant in the event of a dispute involving late payment or nonpayment by the prime consultant or deficient subconsultant performance, or noncompliance by a subconsultant. This provision applies to both DBE and non-DBE prime consultants and subconsultants.

6. Termination.

- a. ACTC reserves the right to terminate this Agreement upon thirty (30) calendar days' written notice to Consultant without cause, or with the reasons for termination stated in the notice.
- b. ACTC may also terminate this Agreement at any time should Consultant fail to perform the covenants herein contained at the time and in the manner herein provided. ACTC may proceed with the work in any manner, which it deems proper. If ACTC terminates this Agreement, ACTC shall pay Consultant the sum due to Consultant under this Agreement prior to termination, unless the cost of completion to ACTC exceeds the funds remaining in the contract. In such a case, the overage shall be deducted from any sum due Consultant under this Agreement, and the balance, if any, shall be paid to Consultant upon demand. Other costs incurred by ACTC thereby shall also be deducted from any sum otherwise due Consultant.
- c. The maximum amount for which ACTC shall be liable if this Agreement is terminated is zero (0) dollars.
- (e) It is also mutually understood between ACTC and Consultant that this Agreement may have been written before ascertaining the availability of funds, or appropriation of funds, for the mutual benefit of both parties, in order to avoid program and fiscal delays that would occur if the Agreement were executed after that determination was made. This Agreement is valid and enforceable only if sufficient funds are made available to ACTC for the purpose of this Agreement. It is mutually agreed that if sufficient funds are not appropriated, this Agreement may be amended to reflect any reduction in funds. ACTC retains the right to direct Consultant immediately to stop work and to terminate this Agreement for convenience, pursuant to Paragraph 6(a) above, in order to address any reduction of funds.
- d. Termination of this Agreement shall not terminate Consultant's duty to defend, indemnify and hold harmless ACTC, as provided in Paragraphs 8 and 20.

7. Cost Principles and Administrative Requirements.

- a. Consultant agrees that the contract Cost Principles and Procedures, 48 Code of Federal Regulations (CFR), Chapter 1, Part 31.000 *et seq.*, Federal Acquisition Regulations System, and "Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards", 2 CFR, Part 200, shall be used to determine the cost allowability of individual items.
- b. Consultant also agrees to comply with federal procedures in accordance with 49 CFR, Part 18, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments," and 2 CFR, Part 2225.

- c. Any costs for which payment has been made to Consultant under this Agreement that are determined by subsequent audit to be unallowable under 2 CFR Part 200 and 48 CFR Part 31, 23 CFR, 49 CFR, Part 18, 2 CFR Part 225, or any other applicable State or Federal Regulations, are subject to repayment by Consultant to ACTC. Disallowed costs must be reimbursed to ACTC within thirty (30) days unless ACTC approves in writing an alternative repayment plan. Should Consultant fail to return disallowed costs to ACTC within thirty (30) days, ACTC is authorized to withhold payments due to Consultant from other ACTC contracts.
- d. Consultant shall comply with, and shall require its subcontractors to comply with, the requirements for non-State employee travel and subsistence (per diem) expenses found in the California Department of Transportation (“Caltrans”) Travel Guide, Non-State Employee Travel (referencing the current California Department of Personnel Administration rules) at the following link: <http://www.dot.ca.gov/hqasc/travel/index.htm>. Lodging rates shall not exceed rates authorized to be paid non-State employees unless written verification is supplied that such rates are not commercially available to Consultant and/or its subcontractors at the time and location required as specified in the Caltrans Travel Guide Exception Process.
- e. Consultants and subconsultants shall maintain accounting systems related to the work to be performed pursuant to this Agreement that conform to Generally Accepted Accounting Principles (GAAP) which segregates and accumulates reasonable, allowable, and allocable costs and matching funds for work elements by line item and produces quarterly reports which clearly identify reimbursable costs and other expenditures and shall provide support for all invoices sent to ACTC. Consultant shall also provide ACTC with the Caltrans, Local Assistance Procedures Manual, Exhibit 10-K: Consultant Certification of Contract Costs and Financial Management System, when applicable.
- f. Consultants and subconsultants shall comply with: 23 CFR; Caltrans’ Local Assistance Procedures Manual (at <http://www.dot.ca.gov/hq/LocalPrograms/lam/lapm.htm>); Caltrans’ Local Assistance Programs Guidelines (at <http://www.dot.ca.gov/hq/LocalPrograms/lam/lapg.htm>); California Public Contract Code, Sections 10300 to 10334, and 10335 to 10381; and all other applicable State and Federal statutes, regulations, and guidelines or additional restrictions, limitations, conditions, or any statute enacted by the state Legislature or adopted by the California Transportation Commission that may affect the provisions, terms, or funding of this project in any manner.
- g. All subcontracts in excess of \$25,000 shall contain the above provisions.

8. Indemnification.

To the fullest extent permitted by law, including California Civil Code sections 2782 and 2782.6, Consultant shall defend (with legal counsel reasonably acceptable to ACTC), indemnify and hold harmless ACTC, its officers, agents, and employees, from and against any and all claims, losses, costs, damages, injuries (including injury to or death of an employee of Consultant or its subcontractors), expenses and liabilities of every kind, nature and description (including incidental and consequential damages, court costs, attorneys' fees, litigation expenses and fees of expert consultants or expert witnesses incurred in connection therewith and costs of investigation) that arise out of, pertain to, or relate to, directly or indirectly, in whole or in part, the negligence, recklessness, or willful misconduct of Consultant, any subcontractor, anyone directly or indirectly employed by them, or anyone that they control (collectively "Liabilities"). Such obligations to defend, hold harmless and indemnify ACTC, its officers, agents, and employees, shall not apply to the extent that such Liabilities are caused in part by the sole negligence, active negligence, or willful misconduct of ACTC, its officers, agents, and employees. To the extent there is an obligation to indemnify under this Paragraph, Consultant shall be responsible for incidental and consequential damages resulting directly or indirectly, in whole or in part, from Consultant's negligence, recklessness, or willful misconduct. Notwithstanding any other provision of this Agreement, Consultant's obligation to defend, indemnify and hold harmless ACTC shall survive the termination or expiration of the Agreement for a term to include the applicable statute of limitations related to the Consultant's performance pursuant to the Agreement.

9. Insurance.

- a. Without limiting Consultant's duty to indemnify as set forth in this Agreement, Consultant shall maintain, at no additional cost to ACTC, throughout the term of this Agreement a policy or policies of insurance with the following coverage and minimum limits of liability (check if applicable):
- Commercial general liability insurance, including but not limited to premises, personal injury, products, and completed operations, with a combined single limit of One Million Dollars (\$1,000,000) per occurrence.
 - Professional liability insurance in the amount of not less than One Million Dollars (\$1,000,000) per claim and Three Million Dollars (\$3,000,000) in the aggregate, to cover liability for malpractice or errors or omissions made in the course of rendering professional services. If professional liability insurance is written on a "claims made" basis rather than an "occurrence" basis, Consultant shall, upon the expiration or termination of this Agreement, obtain extended reporting coverage ("tail coverage") with the same liability limits. Any such tail coverage shall continue for at least three years following the surviving term of Consultant's obligation to defend, indemnify and hold harmless ACTC as set for in Paragraph 8.

- Comprehensive automobile insurance covering all motor vehicles, including owned, leased, hired and non-owned vehicles used in providing services under this Agreement, with a combined single limit of not less than One Million Dollars (\$1,000,000) per occurrence.
 - b. All insurance required under this Agreement shall be with a company acceptable to ACTC and authorized by law to transact insurance business in the State of California. Unless otherwise provided in this Agreement, all such insurance shall be written on an occurrence basis; or, if any policy cannot be written on an occurrence basis, such policy shall continue in effect for a period of two years following the date of Consultant's completion of performance hereunder.
 - c. Each policy of insurance required under this Agreement shall provide that ACTC shall be given written notice at least thirty days in advance of any change, cancellation or non-renewal thereof. Each policy shall provide identical coverage for each subcontractor performing work under this Agreement, or be accompanied by a certificate of insurance for each subcontractor showing identical insurance coverage.
 - d. Commercial general liability and automobile liability policies shall provide an endorsement naming ACTC, its officers, agents, and employees, as additional insureds and shall further provide that such insurance is primary to any insurance or self-insurance maintained by ACTC, and that no insurance of any additional insured shall be called upon to contribute to a loss covered by Consultant's insurance.
 - e. ACTC shall not be responsible for any premiums or assessments on the policy.
10. Workers' Compensation Insurance. If during the performance of this Agreement, Consultant employs one or more employees, then Consultant shall maintain a workers' compensation plan covering all of its employees as required by Labor Code Sec. 3700, either (a) through workers' compensation insurance issued by an insurance company, with coverage meeting the statutory limits and with a minimum of One Million Dollars (\$1,000,000) per occurrence for employer's liability, or (b) through a plan of self-insurance certified by the State Director of Industrial Relations, with equivalent coverage. If Consultant elects to be self-insured, the certificate of insurance otherwise required by this Agreement shall be replaced with consent to self-insure issued by the State Director of Industrial Relations. The provisions of this paragraph apply to any subcontractor employing one or more employees, and Consultant shall be responsible for all subcontractors' compliance herewith.

11. Safety Provisions.

- a. Consultant shall comply with Division of Occupational Safety and Health (CAL-OSHA) regulations applicable to Consultant regarding necessary safety equipment or procedures. Consultant shall comply with safety instructions issued by ACTC Safety Officer and other ACTC representatives. Consultant personnel shall wear hard hats and safety vests at all times while working on a construction project site.
- b. If applicable to work to be performed by Consultant identified in the Scope of Work (Exhibit A), and pursuant to the authority contained in Section 591 of the Vehicle Code, ACTC has determined that such areas are within the limits of the project and are open to public traffic. Consultant shall comply with all of the requirements set forth in Divisions 11, 12, 13, 14, and 15 of the Vehicle Code. Consultant shall take all reasonably necessary precautions for safe operation of its vehicles and the protection of the traveling public from injury and damage from such vehicles.
- c. Any subcontract entered into as a result of this Agreement, shall contain all of the provisions of this Section.
- d. Consultant must have a CAL-OSHA permit(s), as outlined in California Labor Code Sections 6500 and 6705, prior to the initiation of any practices, work, method, operation, or process related to the construction or excavation of trenches which are five feet or deeper.

12. Certificate of Insurance and Taxpayer Identification. Prior to the execution of this Agreement by ACTC, Consultant shall submit a completed federal W-9 form, Request for Taxpayer Identification Number and Certification, and file certificates of insurance with ACTC's contract administrator evidencing that Consultant has in effect the insurance required by this Agreement. Consultant shall file a new or amended certificate promptly after any change is made in any insurance policy, which would alter the information on the certificate then on file. Acceptance or approval of insurance shall in no way modify any indemnification provision of this Agreement.

13. Retention of Records/Audit. For the purpose of determining compliance with Public Contract Code 10115, et seq. and Title 21, California Code of Regulations, Chapter 21, Section 2500 et seq., when applicable and other matters connected with the performance of the Agreement pursuant to Government Code 8546.7, Consultant, subconsultants, and ACTC shall maintain and make available for inspection all books, documents, papers, accounting records, and other evidence pertaining to the performance of the Agreement, including but not limited to, the costs of administering the Agreement. All parties shall make such materials available at their respective offices at all reasonable times during the Agreement period and for three years from the date of final payment under the Agreement. The state, State Auditor, ACTC, FHWA, or any duly authorized representative of the Federal Government shall have access to any books, records, and documents of Consultant and its

certified public accountants (CPA) work papers that are pertinent to the Agreement and indirect cost rates (ICR) for audit, examinations, excerpts, and transactions, and copies thereof shall be furnished if requested. Subcontracts in excess of \$25,000 shall contain this provision.

14. Audit Review Procedures.

a. Any dispute concerning a question of fact arising under an interim or post audit of this Agreement that is not disposed of by agreement, shall be reviewed by ACTC'S Chief Financial Officer.

b. Not later than 30 days after issuance of the final audit report, Consultant may request a review by ACTC's Chief Financial Officer of unresolved audit issues. The request for review will be submitted in writing.

c. Neither the pendency of a dispute nor its consideration by ACTC will excuse Consultant from full and timely performance, in accordance with the terms of this Agreement.

(The following AUDIT CLAUSE must be inserted into all contracts of \$150,000 or greater)

d. Consultant and subconsultant contracts, including cost proposals and ICR, are subject to audits or reviews such as, but not limited to, a contract audit, an incurred cost audit, an ICR Audit, or a CPA ICR audit work paper review. If selected for audit or review, the contract, cost proposal and ICR and related work papers, if applicable, will be reviewed to verify compliance with 48 CFR, Part 31 and other related laws and regulations. In the instances of a CPA ICR audit work paper review it is Consultant's responsibility to ensure federal, state, or local government officials are allowed full access to the CPA's work papers including making copies as necessary. The contract, cost proposal, and ICR shall be adjusted by Consultant and approved by ACTC contract manager to conform to the audit or review recommendations. Consultant agrees that individual terms of costs identified in the audit report shall be incorporated into the Agreement by this reference if directed by ACTC at its sole discretion. Refusal by Consultant to incorporate audit or review recommendations, or to ensure that the federal, state or local governments have access to CPA work papers, will be considered a breach of contract terms and cause for termination of the Agreement and disallowance of prior reimbursed costs.

15. Inspection of Work. Consultant and any subconsultant shall permit ACTC, the State, and the FHWA (if federal participating funds are used in this Agreement) to review and inspect the project activities and files at all reasonable times during the performance period of this Agreement including review and inspection on a daily basis.

confidential information received from ACTC or prepared in connection with the performance of this Agreement without the express permission of ACTC. Consultant shall promptly transmit to ACTC all requests for disclosure of any such confidential information. Consultant shall not use any confidential information gained through the performance of this Agreement except for the purpose of carrying out Consultant's obligations hereunder. When this Agreement expires or terminates, Consultant shall return to ACTC all records, which Consultant utilized or received from ACTC to perform services under this Agreement.

17. Amendments and Modifications. No modification or amendment of this Agreement shall be valid unless it is set forth in writing and executed by the parties hereto.

18. Statement of Compliance/Non-Discrimination.

Consultant's signature affixed herein, and dated, shall constitute a certification under penalty of perjury under the laws of the State of California that Consultant has, unless exempt, complied with, the following non-discrimination and equal opportunity laws. Any failure by Consultant to comply with these provisions shall constitute a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as ACTC may deem appropriate.

a. During the performance of this Agreement, Consultant and its subconsultants shall not unlawfully discriminate, harass, or allow harassment against any employee or applicant for employment because of sex, race, color, ancestry, religious creed, national origin, physical disability (including HIV and AIDS), mental disability, medical condition (e.g., cancer), age (over 40), marital status, and denial of family care leave. “Nondiscrimination in Federally-Assisted Programs of the Department of Transportation – Title 49 Code of Federal Regulations, Part 21 - Effectuation of Title VI of the 1964 Civil Rights Act), and with any applicable implementing Federal directives that may be issued. Title VI provides that the recipients of federal assistance will implement and maintain a policy of nondiscrimination in which no person in the state of California shall, on the basis of race, color, national origin, religion, sex, age, disability, be excluded from participation in, denied the benefits of or subject to discrimination under any program or activity by the recipients of federal assistance or their assignees and successors in interest.

 - f. Consultant will include the provisions of this Paragraph 18 in all contracts to perform work funded under this Agreement.
19. Harassment. ACTC maintains a strict policy prohibiting unlawful harassment, including sexual harassment, in any form, including verbal, physical and visual harassment by any employee, supervisor, manager, officer or Board member, or agent of the employer. Vendors, contractors, and consultants shall not engage in conduct that has an effect of unreasonably interfering with an ACTC employee’s work performance or creates an intimidating, hostile or offensive work environment.
20. Independent Contractor. Consultant agrees to be as fully responsible to ACTC for the acts and omissions of its subconsultant(s) and of persons either directly or indirectly employed by any of them as it is for the acts and omissions of persons directly employed by Consultant. Consultant's obligation to pay its subconsultant(s) is an independent obligation from ACTC'S obligation to make payments to the Consultant.
- b. Consultant shall perform the work contemplated with resources available within its own organization and no portion of the work pertinent to this Agreement shall be subcontracted without written authorization by ACTC's Contract Administrator, except that, which is expressly identified in the approved Budget/Cost Proposal.

If Consultant elects to keep the equipment, fair market value shall be determined at Consultant's expense, on the basis of a competent independent appraisal of such equipment. Appraisals shall be obtained from and appraiser mutually acceptable to ACTC and Consultant; if it is determined to sell the equipment, the terms and conditions of such sale must be approved in advance by ACTC.
 - ii. Consultant acknowledges that, if federal funds are used in this Agreement, 49 CFR, Part 1201 requires a credit to Federal funds when participating equipment with a fair market value greater than Five Thousand Dollars (\$5,000) is credited to the project for which this Agreement was entered into.

33. Time is of the Essence. The parties mutually acknowledge and agree that time is of the essence with respect to every provision hereof in which time is an element. Any individual executing this Agreement on behalf of an entity represents and warrants that he or she has the requisite authority to enter into this Agreement on behalf of such entity and to bind the entity to the terms and conditions hereof. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same agreement.

38. Debarment and Suspension Certification.

- a. Consultant's signature affixed below shall constitute a certification under penalty of perjury under the laws of the State of California that the Consultant has complied with Title 2 CFR, Part 180, "OMB Guidelines to Agencies on Government-wide Debarment and Suspension (nonprocurement)," which certifies that Consultant or any person associated with Consultant in the capacity of owner, partner, director, officer, or manager, is not currently under suspension, debarment, voluntary exclusion, or determination of ineligibility by any federal agency; has not been suspended, debarred, voluntarily excluded, or determined ineligible by an federal agency within the past three (3) years; does not have a proposed debarment pending; and has not been indicted, convicted, or otherwise criminally or civilly charged by a government entity (Federal, State, or local), or had a civil judgment rendered against it by a court of competent jurisdiction in any matter involving fraud or official misconduct, or had one or more public transactions or contracts (Federal, State, or local) terminated for cause or default, within the past three (3) years. Any exceptions to this certification must be disclosed to the ACTC.
- b. Exceptions will not necessarily result in denial of recommendation for award, but will be considered in determining Consultant responsibility. Disclosures must indicate to whom exceptions apply, initiating agency, and dates of action.

- c. Exceptions to the Federal Government Excluded Parties List System maintained by the General Services Administration are to be determined by the Federal Highway Administration.

39. Rebates, Kickbacks or Other Unlawful Consideration Prohibited. Consultant warrants that this Agreement was not obtained or secured through rebates, kickbacks or other unlawful consideration, either promised or paid to any ACTC employee. ACTC shall have the right, in its sole and absolute discretion to do any of the following for breach or violation of this warranty: to terminate the Agreement without liability; to pay for the value of the work actually performed; or to deduct from the compensation to be paid under this Agreement (or otherwise recover) the full amount of any such rebate, kickback or unlawful consideration.

40. Prohibition of Expending Local Agency, State or Federal Funds for Lobbying.

- a. Consultant certifies to the best of his, her or its knowledge and belief that:

No State, Federal or local agency appropriated funds have been paid, or will be paid, by or on behalf of Consultant to any person for influencing or attempting to influence an officer or employee of any state or federal agency, a member of the State Legislature or United States Congress, an officer or employee of the State Legislature or United States Congress, or any employee of a Member of the Legislature or Congress, in connection with the awarding of any State or Federal contract; in connection with the making of any State or Federal grant; in connection with the making of any State or Federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any State or Federal contract, grant, loan or cooperative agreement.
 - ii. If any funds other than Federal appropriated funds have been paid, or will be paid, to any person for influencing or attempting to influence an officer or employee of any Federal agency, a Member of Congress, an officer or employee of Congress; or an employee of a Member of Congress, in connection with this contract, grant, loan or cooperative agreement, then Consultant shall complete and submit a Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions and Exhibit 10-Q, "Disclosure of Lobbying Activities" from Caltrans' Local Assistance Procedures Manual.
- b. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Consultant acknowledges that any person who fails to file the required certification shall be subject to a civil penalty of not less than Ten Thousand

Dollars (\$10,000) and not more than One Hundred Thousand Dollars (\$100,000) for such failure.

- c. By signing this Agreement, Consultant also agrees that Consultant will require that the language of this certification will be included in all lower-tier subcontracts which exceed One Hundred Thousand Dollars (\$100,000), and that all recipients of such subcontracts shall certify and disclose accordingly.

41. Drug-Free Certification. By signing this Agreement, Consultant hereby certifies under penalty of perjury under the laws of the State of California that Consultant will comply with the requirements of the Drug-Free Workplace Act of 1990 (Government Code § 8350, *et seq.*) and will provide a drug-free workplace by taking the following actions:

- b. Consultant will not meet with employees or supervisors on ACTC or State property if the purpose of the meeting is to assist, promote or deter union organizing, unless the property is equally available to the general public for meetings.

43. Disadvantaged Business Enterprise (DBEs) Participation. This Agreement is subject to Title 49, Part 26 of the Code of Federal Regulations (CFR) entitled “Participation by Disadvantaged Business Enterprises in Department of Transportation (DOT) Financial Assistance Programs.” DBE’s and other small businesses, as defined in Title 49 CFR Part 26, are encouraged to participate in the performance of agreements financed in whole or in part with Federal funds; however, DBE participation is not a condition of award. In any event, Consultant shall complete the DBE Information Form attached to this Agreement as Exhibit “C,” so that ACTC may compile statistics for Federal reporting purposes.

- a. Non-Discrimination: Consultant or its subconsultants shall not discriminate on the basis of race, color, national origin, or sex in the performance of this Agreement. Consultant or its subconsultants shall carry out applicable requirements of 49 CFR Part 26 in the award and administration of DOT-assisted contracts. Failure by Consultant or its subconsultants to carry out these requirements is a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as ACTC may deem appropriate. Each subcontract signed by Consultant in the performance of this Agreement must include this nondiscrimination clause.
- b. Prompt Payments to DBE and Non-DBE Subcontractors:

(1) Consultant agrees to pay each subcontractor under this Agreement for satisfactory performance of its contract no later than 30 days from the receipt of each payment Consultant receives from ACTC. Any delay or postponement of payment from the above-referenced time frame may occur only for good cause following written approval of ACTC. This clause applies to both DBE and non-DBE subcontracts.

(2) The foregoing requirements shall not be construed to limit or impair any contractual, administrative, or judicial remedies otherwise available to Consultant or its subconsultants in the event of a dispute involving late payment or non-payment to the Consultant or deficient subcontract performance or noncompliance by a subcontractor.

- c. Records: Consultant shall maintain records of all subcontracts entered into with certified DBE subcontractors and records of materials purchased from certified DBE suppliers. The records shall show the name and business address of each DBE subcontractor or vendor and the total dollar amount actually paid each DBE subcontractor or vendor. The records shall show the date of payment and the total dollar figure paid to all firms. Upon

completion of the contract, a summary of these records shall be prepared and submitted to ACTC.

d. Termination of a DBE: In conformance with 49 CFR Section 26.53:

(1) Consultant shall not terminate a listed DBE subcontractor unless Consultant has received prior written authorization from ACTC's Project Manager. ACTC's Project Manager will authorize termination only if the Project Manager determines that Consultant has good cause to terminate the DBE subcontractor. As used in this Section, "good cause" includes those circumstances listed in 49 CFR Section 26.53(f)(3).

(2) Prior to requesting ACTC's authorization to terminate and/or substitute a DBE subcontractor, Consultant shall give notice in writing to the DBE subcontractor, with a copy to ACTC, of its intent to request termination and/or substitution, and the reason for the request. The DBE subcontractor shall have five days to respond to the Consultant's notice and state the reasons, if any, why it objects to the proposed termination of its subcontract and why ACTC should not approve the Consultant's action. ACTC may, in instances of public necessity, approve a response period shorter than five days.

(3) If a DBE subcontractor is terminated or fails to complete its work for any reason, Consultant shall be required to make good faith efforts to replace the original DBE subcontractor with another DBE.

e. DBE Certification and Decertification: If a DBE subcontractor is decertified during the life of the contract, the decertified subcontractor shall notify Consultant in writing with the date of decertification. If a subcontractor becomes a certified DBE during the life of the contract, the subcontractor shall notify Consultant in writing with the date of certification. Consultant shall then provide to the Project Manager of ACTC written documentation indicating the DBE's existing certification status.

f. Noncompliance by Consultant. Consultant's failure to comply with any requirement of this Paragraph is a material breach of this Agreement, which may result in the termination of this Agreement or such other remedy as ACTC may deem appropriate.

Any subcontract entered into as a result of this Agreement shall contain all of the provisions of this section.

44. Campaign Contribution Disclosure. Consultant has complied with the campaign contribution disclosure provisions of the California Levine Act (Government Code § 84308) and has completed the Levine Act Disclosure Statement attached hereto as Exhibit “D.”
45. Severability. If any term or provision of this Agreement or the application thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those to which it is invalid or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and shall be enforced to the fullest extent permitted by law, unless the exclusion of such term or provision, or the application of such term or provision, would result in such a material change so as to cause completion of the obligations contemplated herein to be unreasonable.
46. Headings. The headings of the various sections of this Agreement are intended solely for convenience of reference and are not intended to explain, modify, or place any interpretation upon any of the provisions of this Agreement.
47. Evaluation of Consultant Performance. Consultant’s performance may be evaluated by ACTC. A copy of the evaluation will be sent to Consultant for comments. The evaluation together with the comments shall be retained as part of the contract file.

49. Counterparts. This Agreement may be executed in multiple counterparts, each of which shall constitute an original, and all of which taken together shall constitute one and the same instrument.
50. Clean Air Act. Consultant agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, including sections 174 and 176, subdivisions (c) and (d) (42 U.S.C. §§ 7504, 7506 (c) and (d)) and 40 CFR part 93 (“Clean Air requirements”). Consultant agrees to report each Clean Air requirement violation to ACTC and understands and agrees that ACTC will, in turn, report each Clean Air requirement violation as required to assure notification to FTA and the appropriate EPA Regional Office. Consultant also agrees to include these requirements in each subcontract exceeding \$100,000 financed in whole or in part with Federal assistance provided by FTA.

51. Disputes. Any dispute, other than audit, concerning a question of fact arising under this Agreement that is not disposed of by agreement shall be submitted in writing to a committee consisting of ACTC's **Contracts Administrator and Executive Director**. This Committee may consider the written information or additional verbal information submitted by Consultant at the request of the Committee. A determination shall be made by the Committee within 10 business days. In the event that Consultant disputes the Committee's determination, Consultant may request review by **ACTC's Executive Director** of unresolved claims or disputes, other than audit, not later than 30 days after completion of all work under the Agreement. The Consultant's request for review must be submitted in writing. Neither the pendency of a dispute, nor its consideration by the Committee, will excuse Consultant from full and timely performance in accordance with this Agreement.

52. Exhibits. The following Exhibits are attached hereto and incorporated by reference:

- Exhibit A – Scope of Work and Work Schedule
- Exhibit B – Cost Proposal (LAPM Exhibit 10-H)
- Exhibit C - DBE Information Form
- Exhibit D – Levine Act Disclosure
- Exhibit 10-K – Consultant Certification of Contract Costs and Financial Management System

53. Entire Agreement. This document, including all exhibits hereto, constitutes the entire agreement between the parties, and supersedes any and all prior written or oral negotiations and representations between the parties concerning all matters relating to the subject of this Agreement.

(ADD CLAUSE BELOW if this contract pertains to Federal-Aid Highway Program Funds or DLAE projects, (i.e., all federally funded construction projects) awarded after February 15, 2016. IF NOT, DELETE IT.)

55. United States-flag Vessels. Per 46 CFR 381, Use of United States-flag vessels, the Consultant agrees:

- a. To utilize privately owned United States-flag commercial vessels to ship at least 50 percent of the gross tonnage (computed separately for dry bulk carriers, dry cargo liners, and tankers) involved, whenever shipping any equipment, material, or commodities pursuant to this contract, to the extent such vessels are available at fair and reasonable rates for United States-flag commercial vessels.
- b. To furnish within 20 days following the date of loading for shipments originating within the United States or within 30 working days following the date of loading for shipments originating outside the United States, a legible copy of a rated, "on-board" commercial ocean bill-of-lading in English for each shipment of cargo described in paragraph (b) (1)

of this section to both the Contracting Officer (through the prime contractor in the case of subcontractor bills-of-lading) and to the Division of National Cargo, Office of Market Development, Maritime Administration, Washington, DC 20590.
