Good Morning,

We appreciate the opportunity to attend.

Attached please find our preliminary comments:

1. Please use the attached RTP Checklist for RTPA's in updating the RTP.
2. Please use and refer to the RTP 2017. The attachment shared referred to the 2010 RTP. Alternatives and Analysis.
3. On Federal Goals, will this include the most current federal Act Infrastructure Investment Jobs Act)? It currently reflects MAP-21 and FAST.
4. On State Goals, we appreciate the 2050 CTP is considered. Will Climate Action Plan for Transportation Infrastructure (CAP-TI July 2021) be considered as part of this RTP update. Recommended.
5. Housing Element – Will this be cited/included? There was a draft in 1/23.
6. Will Disadvantaged Communities be addressed?
7. Please provide milestones for the RTP development including the Env. Document.

Thank you again,

~ Gregoria
